### Year 13 Video Parent Meetings

Dear Parent/Guardian,

You are invited to make appointments for parent-teacher meetings on **Wednesday 16<sup>th</sup> February**.

There will be two sessions: 14:00 – 16:00 and 16:30 – 19:30. These meetings will be booked online, and then held by video meeting rather than in person at College using the Parent Booking video meeting system.

You will have the opportunity to meet subject teachers and discuss mock exam performance or progress on BTEC/CACHE courses. The meetings will help ensure we are working collaboratively to achieve the best possible outcomes for your son/daughter in the final stages of Year 13.

We recommend you view the Arbor parent portal website (<https://login.arbor.sc/>) prior to the evening to see current information. If you have not previously logged in, your username is the email address that this letter has been sent to and you can select 'forgot your password?' to generate a login.

**Appointments will be available to book from 18:00 on Monday 7<sup>th</sup> February until 12:00 on Wednesday 16<sup>th</sup> February.**

Meetings will last 8 minutes. Please note there may be restricted availability for some teachers and appointments will be allocated on a first come first served basis. We would like your son/daughter to also join you and ask that you find a quiet location for the meeting.

After you have made your appointments you can choose to print or e-mail a confirmation of your bookings. We recommend that you do one of these so you have a record of your bookings.

Please read the guidance overleaf for booking and joining the meetings. It is essential that you use the correct device settings to join the meetings. If you are unable to book at home, please contact Reception for help.

Kind regards

Assistant Principals
